EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In line 2 of claim 43, the word "system" has been changed to read --method--.

Allowable Subject Matter

1. Claims 1-4, 18-21 and 40-43 are pending and are allowed.

2. The following is an examiner's statement of reasons for allowance:

The closest prior art of Ginter (US 5,892,900) teaches selling digital files with a handling condition associated with the digital files. Another close prior art Kagle (US 6,778,760) teaches photographic image and its audio data are simultaneously played on a portable player.

In regarding to independent claims 1 and 18, Ginter and Kagle taken either individually or in combination with other prior art of record fails to teach or suggest a server, that receiving and storing audio data and photographic digital image data with the handling condition in the digital data format, displays a program table to select and store the audio data and photographic digital image data with said handling condition from the server into a portable player so as to enable said thumbnail image and said audio data to be simultaneously played thereon.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
